About ELBA

ELBA is the leading social regeneration charity in east London. It facilitates corporate investment from over 100 organisations into community programmes across the growth boroughs of Hackney, Greenwich, Newham, Tower Hamlets and Waltham Forest. ELBA also manages an award winning employment and skills programme and in 2014 launched London Works, a not for profit graduate recruitment agency.

With 30 years of experience enabling successful partnerships between businesses and communities, each year ELBA deliver over 10,000 employee volunteers into the community and work with over 200 local organisations to help build their capacity and support their beneficiaries. ELBA also support almost 800 local people into work through its employment and skills programme.

Purpose of the job

ELBA's Connect Team deliver a range of employee volunteering initiatives, which build the capacity of third sector organisations in east London, by utilising the professional business skills of volunteers. The Connect Team has four key areas of activity; placing trustees through the BoardBuilders Programme, creating coaching relationships via Leaders In Partnership, delivering a range of consultancy and capacity building pieces and facilitating a range of workshops which support east Londoners to develop key employment skills.

Creating Possibilities
in East London

The successful candidate will be responsible for supporting ELBA's Connect Team to deliver exciting, innovative projects across all four areas of work, which meet both the needs of the east London community and the expectations of corporate partners.

Job Description

Main duties

- Identify and build relationships with a range of community stakeholders, including charities, community groups, social enterprises, education institutions, faith groups etc in east London
- Assess organisational needs and develop creative corporate volunteering opportunities to meet the needs and build the capacity of community stakeholders
- Develop relationships and effective partnerships with key stakeholders in the community including the local authority, NHS and community infrastructure support organisations to maximise the impact of ELBA's work
- Work in collaboration with ELBA's employment team to engage Registered Social Landlords (RSLs) who are members of ELBA to develop corporate volunteering activities which support residents to address key areas including developing employability skills
- Work closely with Challenge ELBA team to source team challenge opportunities
- Identify a range of corporate volunteering opportunities that can facilitate large-scale participations and/or collaboration for ELBA corporate partners
- Support the delivery of all Connect Team activity and the wider Community Works programme
- Proactively market volunteering programmes to ELBA corporate partners
- Source, place and manage cohorts of corporate volunteers in line with business plan and project targets
- Develop effective working relationships with community affairs team with ELBA corporate partners, ensuring that these companies are supported to develop employee volunteering and other initiatives that meet their targets, priorities and strategies
- Implement effective evaluation and impact measurement tools in line with ELBA corporate partner requirements, ensuring that evaluation informs best practise to ensure continuous improvement
- Work on any projects with ELBA, as and when required
- Develop new employee volunteering initiatives which meet both the needs of the east London community and the expectations of corporate partners.

General

- Develop a broad knowledge of regeneration programmes and local authority priorities in east London
- Use ELBA internal systems to maintain records and report progress, including due diligence and volunteer recording via CRM
- Ensure that effective project management systems for monitoring and evaluation are in place and keep detailed records
- Complete monthly, quarterly and annual reports as required
- Proactively generate case studies, news articles, photos and social media content to promote the work of ELBA in line with ELBA communication targets and protocols

Creating Possibilities
in East London

- Collaborate with other ELBA colleagues on projects where appropriate, and contribute to the development of ELBA as an organisation overall
- Adhere to and implement policies, including equal opportunities and health and safety
- Undertake any other reasonable duties as requested by your line manager

Person Specification

ELBA's core competencies define the principles and ethos that are central to the way we seek to operate as an organisation and the way we treat those with whom we come into contact. They inform what we do and how we do it; we expect every member of staff to commit to creating value for our members and community partners. ELBA's core competencies are:

- Accountability
- Leadership
- Commercial awareness
- Relationship management
- Adaptability
- Delivery
- Communication
- Creativity

In addition, the ideal candidate will have:

Essential skills and experience

- Strong project management skills, managing projects from inception through to completion and evaluation
- Highly organised with an ability to prioritise, work under pressure and deliver against set targets to agreed deadlines
- Ability to manage and track multiple projects, often with competing deadlines
- Effective time management skills and interpersonal skills including negotiation, persuasion, flexibility and problem solving
- Excellent oral and written communication skills with the ability to articulate messages clearly and concisely in an engaging style consistent with ELBA's brand
- Thoroughness, accuracy and attention to detail
- Experience of developing sustainable and effective partnerships with multiple stakeholders
- The ability to work across all levels of ELBA corporate partners, community partners and local stakeholders
- Ability to work collaboratively within ELBA to develop and share best practice
- An understanding and passion of the principles of corporate community investment and employee volunteering
- Experience of working with and facilitating employee volunteering activities
- Experience of programme monitoring and evaluation
- A high level of IT literacy
